**“But without faith it is impossible to please Him ...”**

Hebrews 11:6

Greetings Brethren,

Summer has arrived so far in the form of rain. Perhaps you have heard of the severe flooding in Calgary AB. We have experienced the same rain systems in BC and to a lesser degree some flooding too. However, it has not dampened our spirits.

In mid-April we had a “Friend Day” at our church and had 10 visitors come. We also baptized two on that day. What a joyful day it was. Then in May we held our Annual Spring Revival Meetings. We spent a significant amount of time in prayer before and during the meetings which made a difference. In previous years we had always gone from Thursday through Sunday, but this year we began on Sunday and ran through Thursday. Of course this added an extra day and God blessed it in a wonderful way. Our friend Evangelist Bill Smith returned to preach for again. The Lord gave him just the right messages and many good decisions were made.

The first weekend in June our city had an annual festival which includes a parade down the main street of town. We entered a float featuring Vacation Bible School as its theme. Eight members from our church walked beside the float and handed gospel tracts and VBS invitations to those watching the parade. We gave out around 1300 tracts and 700 VBS flyers out that day. Bible school will be July 15-19 and since the parade we have been having kids registering for VBS. Please pray for our Bible school. Believe it or not we are the only church in our town that has a VBS. Many families look forward to this annual event and I have even heard of families who do not come to our church that plan their summer around our VBS.

Recently, I have made a couple of new contacts during our weekly door knocking. One man I met is named Darrel. I went to Darrel’s house last Wed. and was able to talk with him for over two hours about the gospel. He did not trust Christ that night but he was in church this Sunday. Please pray that he will soon be saved.

I want to let you know that we truly appreciate your continual prayers and support for our family and ministry. God is working in Castlegar BC, Canada!

Thanks and God Bless,
