- ❖ Preaching a Youth Rally on Sep. 24-26
- ❖ Opening sermon for Iglesia Bautista El Salvador's Missions Conference Oct. 4

**SEPTEMBER 2015**

Dear family in Christ,

The past month of August was great! I accompanied Pionero Christian School seniors on their graduation trip. This was a great blessing and surprise because somebody anonymously paid for my fare. On the trip, I was able to share the Bible with them during morning devotionals. I, also, share the plan of salvation with them because a couple of the seniors come from unsaved broken families. Please, pray for this senior class as they plan for their future plans.

Working at Pionero has opened a lot of doors to share the Gospel with my students. I was assigned to disciple and counsel with Guillermo, one of the seventh graders. The plan is to spend time with him reading the Bible during recess and counsel him on his behavior at school with his classmates.

In October, Pionero has its Junior and Senior High camp. The camp is a whole week of Bible preaching and devotionals for the students. AS time approaches, some of the teachers have explained to me that this is the highlight of the year because thru the years they have seen many make profession of faith at this camp, and make the decision to work in the ministry as pastor and missionaries.

Thanks to MADEL, I have had the opportunity and privilege to teach a few Sunday school classes a Iglesia de Fe. I also had the chance to preach on their main service on Sunday. Other doors that have been opened by working with MADEL and Pastor Giorgio Romani are the opportunity to preach a Youth rally at the end of this month and to be the opening speaker at Iglesia Bautista El Salvador Missions Conference.

Thank you for your prayers and support!  
The Lord bless you in your service to Him.  
Sincerely, Nelson Santos
