### SEPTEMBER/OCTOBER UPDATES

Praise God for a great couple months of ministry! The church has enjoyed monthly mens, womens, and teen meetings- including a baby shower for a faithful family who are expecting. We have also seen a good group of men and ladies participate in soulwinning.

During the month of October we saw days on end of heavy rains. For 4 days school was canceled all over the island. These rains revealed to us a significant problem with leaking of the school roof. Please pray that we can replace the roof ASAP.

One of our sweet American teachers, Jessica, gave birth via c-section. The whole church is rejoicing with her and her husband and are praying for her recovery. Another lady in church, named Brenda, was hit by a car, resulting in a broken leg. Please pray with us for her healing as well.
