

HOME WITH THE LORD

STAN and SUSAN MYERS
BRYAN MYERS
Creation2Christ

Stanley Kevan Myers, 70, slipped quietly from his wife's side in Kansas City to his Heavenly home Tuesday, January 9, 2024. He will forever be remembered for his loving devotion to his wife and family, his large library of books, his rich baritone voice, and his faithful service to his Lord as he sought to give out the truth of God's Word and see souls saved through faith in Christ Jesus.

Stan did 5-Day Club ministry as a teen. After high school Stan went to Prairie Bible Institute in Canada. He returned home with a greater knowledge of God's Word, more passion and boldness to share the Bible with others. Stan went on to graduate from Calvary Bible College in Pastoral Studies.

He served in many capacities including Sunday School Superintendent, Visitation Pastor, Head of the Bible Institute, Witnessing Outreaches, AWANA Commander, Song Leader, Elder, Vacation Bible School, church janitor, hospitality, soloist, and any way he could. He served with CEF and as a Camp Director. He went with Village Missions to northern Minnesota as a missionary pastor to Pleasant Hill Community Church. Later he expanded his ministry outreach—taking on nursing home and hospital ministry, home Bible studies, community centers, jails and prisons, and became more involved with camp JIM.

Later he became manager at Dinosaur Adventure Land, a Creation ministry. Then he was sent out of Smyrna Baptist Church under Heartland Baptist Missions in a ministry he called Creation2Christ. With his family as a team, they teach, preach, sing, and conduct creation presentations and vacation Bible schools in many churches and schools across the country. His heart's desire was to lead people from the knowledge of their Creator to faith in the Saviour, Jesus Christ. In his final days he said, "I want to finish the race well." His love for Christ caused him to run his race with purpose.
