Iglesia Bautista Fe Viviente

Pr. Ever Sandres

God bless you all! It is always a pleasure to greet you, and I hope that everything is going well in your lives and in your ministry. Although truthfully life is not always easy, we understand that we should keep going. I know there is a lot to do in God's work, and the best aspect is that we get to serve our Heavenly Father and that nothing is doing in vain.

“Praising God, and having favour with all the people. And the Lord added to the church daily such as should be saved.” Acts 2:47

The month of February went by very quickly; there's almost not enough time to do everything we want to. Working in the school and church is a great blessing in my life, but at the same time is a great challenge. I am very happy to be part of this ministry in Roatán.

On Sunday, February 26, Brother Douglas reconciled with the Lord, and his wife received Christ as her Savior a week earlier. It is very exciting that the family is faithful in coming to the house of the Lord. There are new people coming to the church, and the plan that we have with Pastor Ever is to start discipleship and start following up with each new person.

Teaching about baptism y starting discipleship is something very important to help the spiritual growth of the new believers.

The youth of my Sunday School class also continue to learn about the importance of the Holy Spirit and more and more show interest in learning. I am teaching them that they should maintain their walk with God in their lives, feeding their spirit more than their flesh, so that God can be the guide of their lives.

The activities of the church have helped us a lot because it encourages the children, youth, and even the adults to get more involved in the church. The first Saturday of February we had our special youth service that many students came to; we played, ate, and above all we all heard the Word of God.

We also have had a work day in the church recently where some of the members of the church came to help with maintenance and painting. We started at 9 am and finished at 4 in the afternoon and we had a great time since our work is for the Lord

As far as the school goes, it is a great challenge because there is so much to do. We pray that God touches the lives of each child and their families so that they come to feet of Jesus. We are praying that God sends teachers that are willing to serve in the ministry, as well.

Prayer requests:

1. That God continues saving souls
2. For the new families to stay faithful
3. Spiritual lives of the young people in the church
4. The God provides teachers for the school
5. For the students and parents that they come to the feet of Jesus

Brothers, thank you so much for being a great support in my life, economically and more importantly in your prayers. Even if you don't believe it, God is using you, each of you. I hope that the Lord blesses you all and your families and that everything you do prospers.

With appreciation for you in Christ,

Moises Escobar.
