

Hodges Joseph & Abigail June 2024 in Honduras

Dear Friends and Church Family,

Thank you so much for faithfully praying and giving to our family and ministry this year. Your partnership is an invaluable treasure. We couldn't be here without you.

In June we made a **3-week trip back to the US** to get Tommy's social security card, in order claim him on our taxes. **Tommy met his great-grandparents for the first time**, and we also got to see Abbi's parents for several days. Our baby enjoyed his first trip to the US.

I baptized Yuliani from our Children's Home, who got saved after entering our children's home. Funds are being raised this year and next to purchase a **van for the home, and to build a small house** able to hold one couple on the property. God has always supplied above and beyond every need that we've ever had, and we know that the same will be true here.

During door-to-door evangelism, we met **Omar, Diego, and Anthony**, ages 13, 12, and 11. While sitting on an ancient stone wall under a tree, these three boys **asked Jesus to save their souls** from sin and hell. Omar had actually been to my Sunday school class a couple times before, so pray that we can stay connected with these boys for further growth.

Another day, while taking cover under an awning during a rainstorm, we met 3 teen boys ages 16, 14, and 14. After about 20 minutes of chatting and sharing the gospel, **Anthony, Joseph, and Eliezer trusted in Christ's finished work** on the cross for their sins. I have their phone numbers and am working on getting them baptized and in church.

Pray for the salvation of **Ashley, Daniel, and Valeria**, whom we also witnessed to this month on door-to-door outreach.

Abbi and Thomas are my favorite visitation buddies, and we enjoy the beautiful countryside that we do outreach at each week.

Please **pray for 5 new men and 5 new ladies** for our Bible college. We start back in August. Our college not only trains in Bible classes, but also trains in computer, music, driving skills, and many of which are rare to find in Honduras.

Thank you again for your prayers and support this month!

The Hodges
