Dear brothers and sisters in Christ,

First of all, thank you so much for your consistent prayers and support. We have seen God moving in the church and school ministry, as well as His faithful provision for our family; and we know it's because we have a tribe of people praying for us.

This summer was full of exciting activities including our church's first ever VBS. About 40 children came to the three-day Bible school and heard rich teaching from God's Word, enjoyed fun games, and experienced a godly atmosphere in the middle of a long summer. One of the biggest blessings for us during VBS was seeing how God has raised up godly leaders in the church- men and women who are capable and willing to serve God and others.

In August we began to prepare for the 2024-2025 school year with our wonderful team of teachers. As mentioned in our previous update, God brought a sweet Christian Honduran woman to join our team as the kindergarten and first grade English teacher. Moreline has been a wonderful addition to the Roca Solida family! We are still praying, however- and ask that you pray with us- that God leads some more English teachers to teach on the mission field at our bilingual school. Our few English teachers are stretched thin to fulfill the needs here at the school. We are so thankful, though, for the team that we have and for the 110 students who God has entrusted us to give a Bible-centered education this year.

This August we also were thrilled to see three people baptized- Noe, Kathryn, and Carla. They are all also receiving a discipleship course. It is exciting to see growth among our church family.

Thank you for your continued prayers,

*Ever, Carol, Santi, and Lia*
