Dear Friends and Family in Christ,

October 29, 2024

Thank you for continuing in prayer for us! God is always so good! **Recently, the church was sent Gospel literature in Chinese and Arabic!** There are MANY foreigners here who are without Christ who do not speak Portuguese (or it is not their first language). Maputo, Mozambique is a melting pot of nationalities like America. As a challenge, look at every foreigner as a mission field brought to you. God has given countless opportunities for us to advance the gospel and we refuse to witness and to seize the opportunities given us. We will give account before Christ for this one day.

To God's glory, there was a family of 4 Chinese who visited our church!! After speaking with them through translation, one mentioned that they understood salvation through their personal reading of the Bible! The others professed to be trusting in Christ alone for salvation also.

Thank you for praying for the Family Conference—**8 new visitors came and every one of those visitors asked Jesus Christ to be their Savior! Of those eight, 2 were mothers of our "bus kids."** These kids begged their parents to come and praise God they did. Several others were also saved recently to the glory of God including Machel, Ishmael, Jose Zito, Denes, Rogerio, Ernesto, Mario, Manual, and many more! **Please pray they that these new believers would get baptized and come to church faithfully.**

Recently, Augusto had exciting news. Augusto is a faithful young adult who serves in the church and wants to be a pastor. **He texted us and said that his mom got saved! She was Muslim, but had been coming to the church recently.** He got to witness to his mom and rejoiced as she trusted in Christ!! Now pray that Augusto's parents (and others in the church) would get married as they are living together but not married. **Also, pray for the unrest here.** Potential voting fraud has caused other parties to protest and riot. We are in a safe neighborhood, but our Pastor and a Baptist church downtown are closer.

(1) Remember God's blessings! (2) God loves children coming to His house! (3) Teens singing a special with Keven on the far left and Augusto on the far right who desire to be trained for the ministry
