Dear brothers in Christ, it is an honor to be able to present my prayer letter for the month of October. God has been so good in giving us the opportunity to work in a ministry where the need is seen.

This month we have not had many new things, but instead have been working hard at the normal ministry activities like evangelism and discipleship, but we have been content that the small remnant seen in the church is following the Lord with hearts willing to learn and get involved in the service of the church.

Some brothers are now participating as Sunday School teachers, as we know that we must build each other up fully in the word of God. Our families are something valuable to this ministry as it is a chain that the youth follow and the children can see through the examples.

We keep going because the island has the necessity of the Gospel. There are many people that are confused by religion and are just looking for the truth. Satan has put a blindfold that does not allow them to see the truth. Sadly, we Christians today have become comfortable living with customs and traditions and are not maintaining a relationship with a testimony for the Lord.

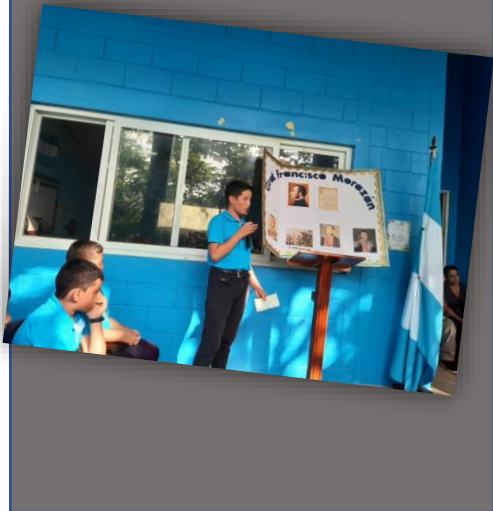

The school is having some problems with a teacher shortage, and operating without all the parts we need has been difficulty. This ministry has been a blessing and the enemy wants to see it destroyed, but we know that God is faithful to supply our needs.

In these moments, the teachers and myself continue working in the school so it can stay active, even if it means more work.

My work as assistant pastor and teacher of the school is of great help to various ministries, but we plead with the Lord that He sends more workers to the ministry. Many of the families that have continued in the church know that the school was the hook that got them into church and helped them know the Lord.

Please help us to pray for the needs of the church and the school because it has been a challenge not just for me but for all those that are serving here in Roatan, Honduras.

I am excited that within a few months I will be getting married, and I will have a wife supporting me in the ministry. I know that Madelyn is a gift to my life; God has been good to me, and I am thankful.

Prayers requests:

1. For souls saved and baptized.
2. For the teachers.
3. For the plans for our wedding.
4. For more brothers to get prepared for serving in the ministry.

Again, thank you to each of you for being part of my life. Your support and above all your prayers keep me going in this country that God has put me. I desire that God blesses you and to supply your needs of your families and ministries.

A cordial greeting from your servant,

Moises Escobar.
