Dear brothers and sisters in Christ,

Fall means rainy season here on the island, and we are praising the Lord that we haven't had to call off any days of school due to the weather. We are enjoying some "fall" church activities, even though temperatures continue to be in the mid-80's.

September 15 was Honduran Independence Day and we celebrated with the annual school picnic. Many parents and family members of our students joined us in a ceremony recognizing Honduran culture followed by a school-wide picnic. We also enjoyed a week-long fall break where we spent time with our teachers and hosted a picnic for our church family.

Carol enjoyed planning an early Thanksgiving themed ladies meeting, which was a great time of fun games, good food, and a refreshing time in the Word. It is exciting to see a good group of ladies who have the desire to serve the Lord and grow more in Him daily. We are happy that we have recently been able to get a nursery started, staffed by our sweet ladies each service.

Ever is looking forward to taking a group of men to the mainland to a men's conference at our dear friends the Rolston's church in Santa Rita. We are excited to see the Lord work in their lives! Please be in prayer that God would raise up strong, spiritual leaders in the church. Satan has been attaching marriages lately in the church. We are also looking forward this month to hosting Ever's home pastor to preach at our first annual Couple's Banquet. We are praying that souls will be saved and marriages strengthened as a result.

Finally, thank you so incredibly much for your prayers for the past 3 years as we have been in the process for Ever's visa. Praise the Lord, he has been approved and we look forward to coming to the States for furlough in 2025 so you may all to get to know Ever!

Thank you for your continued prayers,  
*Ever, Carol, Santi, and Lia*
