

# SMALL STRIDES

## IN HONDURAS

October 2024

Dear Friends and Church Family,

The month of October was such an exciting month full of conferences, unexpected holidays, learning curves, and so much more! One of the biggest blessings and answers to prayer has been **my ability to now communicate so much better in Spanish**. Because of this, I have had many opportunities to help with the chores, such as buying things in the market or talking to the teachers of the children or coordinating with the other administrators of the Children's Home. I've also been able to have so **many more lengthy conversations with the children which has really grown our relationships!**

The biggest answer to prayer for this month was that **Eduardo, one of our newer boys, accepted Christ as Savior!!** He is the boy wearing all red. We are so excited and are looking forward to his baptismal date. **Thank you so much for your fervent prayers for him!**

Since I have been here **we have had 5 birthdays** and have many more to go before the year is done! Because of this, I have had many opportunities to help cook special foods such as baleadas (a food very similar to burritos), cookies, cinnamon muffins, and deep dish pizza which all the children thoroughly enjoyed.

I have also enjoyed the opportunity **to try some very unique foods**, such as a whole fish and chicken foot soup!

The children have been doing well in their studies so far but many still have a long way to go. **Please pray that they will continue to work hard and not get discouraged!**

*God is working in the lives of these young ones! Thank you so much for investing in me and the lives of these Honduran children.*
