**“Now unto the King eternal, immortal, invisible, the only wise God,
be honor and glory for ever and ever. Amen.” — 1 Timothy 1:17**

Dear Pastors and Praying Friends,

Joy to the world! This King became visible and was born to suffer mortality to give us eternal life. He left the praise of angels to give humanity a personal relationship with Himself and a reason to praise Him forever and ever!

Church: We are thankful for the opportunity to share the gospel freely and for those who listen intently. We praise God for saving Alejandro, and we pray that God will continue to work in hearts of many who heard the gospel but have not yet received Christ. May we keep planting and watering seeds, knowing that God is always working His will, even when we cannot see.

In November, we celebrated missions month, and our group's country was Armenia. We pray that through our missions presentation, that God work in hearts to go wherever He leads, reaching others with the truth of salvation in Christ.

In December, our children participated in the annual school Christmas program, where the gospel was presented to hundreds of the family members of the students in our school. We have also enjoyed Christmas caroling and other Christmas activities. What a joyful time to celebrate Jesus' birth and thank Him for all that He has done for us!

Public School Ministry: The public schools finished their school year, with many teachers grateful for the Bible classes given in their schools this year. Please pray for this coming year, as several teachers have informed us that they will be moved to other schools or are retiring, and that other teachers will be taking their places here. Please pray that the new teachers and directors will be open to God's Word, as well.

Family: We thank God for our three sons, and that they have been fairly healthy these past couple of months. We are grateful that they are learning and doing their best in school and in the ministry. We were also blessed to have the Bible college students over for Thanksgiving, something that we had never done before but that we all enjoyed. We thank God for our precious family and family in Christ.

Thank you for your faithful prayers and support. God is using them. May we all continue to share the truth of Jesus, the greatest Gift this world could receive, and give God the gift of a life surrendered to His will.

Wishing you all a very

**Merry Christmas,
and a Blessed New Year!**
