Pr. Ever Sadres

Brothers in Christ, I am happy to be able to once again wish you a happy new year and hope that 2024 was filled with blessings from God. I also hope that this new year God continues to give you power and grace, wisdom, and knowledge to each of you. I am thankful to God for this place where the Gospel is effective, without a doubt the people are filled every day with the Holy Spirit. Please, I do covet your prayers for the brothers of Living Faith Baptist Church here in Roatan.

In the past two months, the church has had activities that have motivated the people to continue involving themselves in the work of the Lord. On the ninth of November, we had a men's conference in the department of Yoro, Honduras. Every teaching was a blessing and refreshment to our souls. By the grace of God, this conference motivated the men to be faithful to God and surrender more to Him.

One of the things that also has me happy is to see those recently converted studying the Word of God through the discipleship program. Seeing them go to the front of the church and receive their diploma motivated me to continue teaching the Gospel and the doctrine.

In November, we had a visit from Pastor Luis Dolé. On Wednesday and Sunday, he taught the Word of God in the church, and on that Saturday, he preached the Word at a Couples' Service we had. It was a great blessing to be able to have the pastor with us, but I also ask for prayer for his family that is going through a difficult situation. His oldest daughter has cancer, and his wife also is having problems with cancer, as well. We pray that the Lord helps this family and that we can continue to pray for them.

The month of December is one of the most commemorative times because it speaks of the love of God through the birth of His son Jesus Christ. The church and school celebrate these dates to bring the Gospel to the families. We had dramas, Christmas hymns, and many activities pointing to the Word of God, concluding this year giving thanks to God for being so good with each of us this year.

Pastor Ever and his family are on a trip for personal matters and left the authority of the church in my hands. I ask for prayers that God can give me the wisdom to be able to guide the church in the absence of our pastor. Pastor Ever will be back in Honduras in March, but by the grace of God and His will we continue going forward in the church.

I spent Christmas and the New Year with my family and my fiancé in Guatemala. During this time, the deacon of the church and other brothers directed in the church. I decided to spend time with my fiancé because we only have a few months before we get married when we will be able to live together and will be able to serve God together as a couple.

Prayers requests:

1. For souls saved and baptized.
2. For the spiritual growth of the brothers.
3. For our wedding plans, as the wedding is July 5th.
4. For the leadership that God is raising in the church.
5. For the youth as they go to camp.

I express my gratitude once again for your great effort in supporting missions, that the Lord is multiplying in our lives every time more and more. Thank you for your economic support and for your prayers that help me continue here serving God on the island of Roatan.

In Christ,

Moises Escobar.
