

Kevan & Deana Myers

Time to Win a Battle Ministries

Praises

1. Kevan's run for office in the KS legislature this last year provided opportunities to preach the Gospel and declare Biblical truth concerning many issues in places he would have never been invited normally. In a heavily Democratic district, he received 36% of the vote which was a blessing. Light was shined in the darkness in Jesus' name! Even after the campaign, fruit has been seen from conversations and literature. Praise to the King!
2. Two mothers have turned away from murdering their children through the preaching and pleading in the past few weeks! Deana has been communicating via text, and we desire to continue to be a voice of the truth and a help to these families.

Prayer Requests

1. Please pray as we seek to raise and homeschool our five children to the glory of the Lord Jesus Christ.
2. Please pray for Gospel outreach and engagement about abolition that is planned for Kevan and family in both the Missouri and Kansas state houses in February, and for the Abolition Mission that Kevan and daughter Tirzah will join on March 20-22 in Washington D.C. Pray for open hearts in the public and in magistrates, for salvations and lasting fruit. Please continue to pray for our weekly stand at Planned Parenthood and the local congregation that Kevan pastors.
