MISSIONARY TEACHER

## SPRING 2025 UPDATE

Spring here in Honduras has been an exciting and busy time!

We began the year with a camp for teens aged 12 through 24. I had the privilege of being a Camper Counselor, which meant I had a dual role, both leading my team and still participating in the fun events of camp. Our camp is like an extensive music and drama competition, with games and fun activities as well. And, of course, lots of preaching. Three services a day with great preachers from various parts of Honduras! I got to compete with a Piano solo and a Teaching on Daniel and the Lion's Den. Camp was a huge blessing, and many souls were saved!

School began in the middle of January; the students were sent into 2 weeks of Review and then Midterm Exams! Although my students did struggle with their Midterm exams, it was a good wake-up call, and my class can proudly say that at the end of now third quarter, instead of seven kids failing, there are only three. Praise the Lord! We have been working hard in second grade to learn to read and spell correctly! But with lots of prizes and stickers and coloring sheets! We have succeeded! I am praying for a great end to the school year!

My bus route has been growing steadily! We found a new street to go down, and two children came from there, Vilma and Aaron. It was a huge blessing one Thursday night in February to visit Vilma, her little brother, and her mother. And praise the Lord, Vilma's mother, Katy, received the Lord as her Savior!! We have also regained Melany and Britany, who used to come about a year ago but moved away. But with a blessing from the church of new shoes, the mother has had the confidence to send her girls to Church with us again, even though they must walk an extra half a mile down the mountain alone just to get to us! I was able to bless my bus route kids with lots of prizes this spring. Every fourth Sunday, they get to choose a Prize if they have been coming faithfully. And just recently, I did a promotion of five consecutive Sundays, they got to take home a large stuffed animal instead! (An effective way to get rid of the surplus of stuffed animals I have!) Currently, on a good Sunday, 12 children are coming with us! The Long Walk down the mountain can be a bit interesting with twelve children in tow, but praise the Lord, a new Academy girl, Rachel, was saved and now is a route partner with us as well. So, there are four of us working on my bus route together, and we can divide and reach all the houses in time! However, I am praying hard for the ability to purchase a large van or a small bus. That seats about fifteen people. (We can cram a lot more than that into it here in Honduras!) My goal for deputation and church support is to be able to purchase a vehicle in August. Thank you to all the churches that are praying for me and supporting me!

## MISSIONARY TEACHER

Katy was saved on Thursday Evangelism  
 on my bus route,  
 she is the mother of Vilma.

It is always a blessing to have the  
 Acadmy girls over for dinner.  
 Every wednesday they come for a  
 movie and dinner.  
 Recently we started learning to play  
 board games as well!

## Prayer Requests

Salvation of the parents of my bus kids

Allison's Grandmother is in a dangerous Abusive relationship. They just moved away from that home. But its still the same town.

Lian to return to church faithfully, and to not let school negatively influence him.

Carlos, Christian, and Eduardo to return to church.

Spiritual growth for Leanie, Yosari, and Genesis who are now saved.

Angili to know the Lord as her Savior, much confusion because she grew up catholic and just started coming to our church.

Safety driving while on Deputation in the States this summer.

12,000 dollars to purchase a bus in good condition for my bus route. currently have 6,000.

We are loosing a lot of teachers to end of 2 year contracts this year. We need enough teachers for next year!! 15 teachers needed!
