Pr. Ever Sadres

Brother in Christ, thank you very much for always praying for me. I know that the prayers have been answered and that I have a great strength in the Lord, and that while at a distance you all continue in constant prayer for the missionaries, one of them being myself.

The purpose of this letter is to present to you all what has happened in the month of March in the ministry I am part of in Roatan, letting you know that God continues working through many people.

On March 8th, we were able to have a youth service. We met at the church to have the teaching and later went to have sports activities at one of the beaches on the island. It was a great blessing! Many brothers in the church got involved, and we had 32 young people!

We continue having evangelism and bringing the Gospel to the people of Roatan. How important it is for every Christian to share the good news of salvation.

As you all know Noe Munguia whom was someone that I discipled, he is serving God faithfully and brings me much pleasure to see him and his family love the work on God. I ask that you pray for this family. Recently, I finished giving discipleship studies to brother Ariel Munguia.

Saturday, March 29th we had a Bible club in Aldin, a region of limited resources. We know that need is in every part, even to the ends of the earth, but even knowing that we were able to have a great amount of children and parents that heard the Word of God. One child can be called by the Lord, and even though we don't know the future, we are aware of the power of the Gospel.

The church keeps going, brothers growing in their spiritual lives and giving their lives to the Lord Jesus.

While the Roca Solida school, that is one of the ministries that the church, has suffered for years with problems from the Department of Education, the school has been a lighthouse to many families, not just for its good education but also because it is a Christian school. Many souls have come to the feet of Jesus and many have chosen a different life for God. While we have been working in order to keep all of our papers in order, we need our operating license. If we do not have that permission, they will fine the school and they could even close it. Only your prayers and the provision of God can help us.

On the other hand, and on the personal side, I have 3 months until my wedding. My fiancée and I have served God all of our lives and we would like to unite through matrimony to be able to glorify the Lord in a special way. The preparation of the wedding is going well as the date approaches. July 5th will be the special day where our lives will take a wonderful turn.

I want to thank you each again because your prayers help me to stand firm and because I know that though you are far, you pray for me. I also want to express my gratitude for the economic support you have given me and pray that God multiplies your generosity.

Prayer requests:

1. My wedding
2. Spiritual growth in the church
3. The brothers in discipleship classes
4. That God takes control of the school situation
5. For the youth and families of our church

This has been my little report for you all. I will send more information of the things that are happening in my life and the ministry. Until then, I close this letter.

Sincerely,

Moises Escobar.
