Dear brothers and sisters in Christ,

It was wonderful to start out the year being surrounded by family and friends and being a part of the Cleveland Baptist Church. Carol was able to help out in the Christian school science department while Ever volunteered doing reparation and maintenance in the church bus garage. The kids absolutely loved the snow and, of course, all of the time spent with Grammy and Grandpa!

While we were in the States, ministry continued on the island of Roatan. We were encouraged to receive reports of groups going out on visitation, running Bible Clubs, and hosting teen and ladies meetings.

Our teens were able to participate in a teen camp in Sabanagrande, Honduras this year for the first time. They spent many months doing food sales and saving money to be able to travel to the mainland to go to camp. We are so happy to report that camp made a huge impact on the teens' lives. Our group won the award for Christian character, and they came back motivated to continue learning God's Word and serving Him in the church. We are so proud of them and excited to see how God continues to use them.

In March our family made our way back to the island. It is wonderful to back with our church family! A young man named Ever who has been attending church on and off for the last year accepted Christ as his Savior! We have gotten back into the swing of church ministries and the fourth quarter of the 2024-2025 school year. We had a bit of an interesting time when Santi required the surgical removal of a popcorn kernel from his ear but praise the Lord he is doing well and God provided for the unexpected medical costs. God continues to show Himself faithful in our lives. Please continue to pray for souls to be saved, for spiritual growth, and for God's guidance and wisdom in our lives.

Thank you for your continued prayers,
Ever, Carol, Santi, and Lia
