

Mar/Apr 2025

Tiffany Bacon

Dear Brothers and Sisters in Christ,

March and April were busy months here at Hope! Our normal routines continued, but God gave an extra blessing one Saturday morning in March. Josue, an 11- year old boy accepted Christ as his Saviour during a Bible club in Olivar- he has been faithful to church ever since that day.

March and April had multiple celebrations. Friend's day was celebrated on March 9th, this was a big opportunity to invite school parents to church. Many came that day and a few have been faithful to come back! Father's Day in Honduras is celebrated in March as well. We had a lunch with dads one Friday after school, the gospel was presented and presents were given. We honored the hard-working fathers during church that following Sunday. First grade got to celebrate three different birthdays during the month, so these students of mine were full of cake, candy, and coca-cola all month! Hurray!

April was the time to reflect on the empty tomb! HCA spent time teaching Bible stories, singing songs, and proclaiming the gospel. I celebrated Resurrection Sunday in the States with family and our students had a week vacation. I sure did miss them while I was away! These first-graders are taking a big piece of my heart- thank you for praying for them. I can see prayers being answered!

During April, we also had moments of fun! Our staff took a trip to the beach to share some fellowship. The singles group joined with another church, Iglesia Bautista El Faro (missionaries Matt and Dalita Goins), to have a bonfire and share testimonies. The students also participated in traditional Honduran games.

Thank you for the prayers, support, and love. God is answering the prayers from people like you. We are praising him recently for the salvation of two second graders (Jayden and Ricardo) and one K5 girl (Cora).

Your missionary, Tiffany Bacon

PRAYER REQUESTS:

1. **School Families will receive salvation and attend church.**
2. **Olivar Bible club to bring more children to church.**
3. **More teachers/staff to sign on at HCA.**
4. **Wisdom for personal decisions.**
