Dear Friend,

January, February, and March have come and gone so quickly! These months were filled with various school activities. We were also able to attend two very encouraging conferences at other ministries.

JANUARY

At the beginning of January, we were blessed to have a missions group come from Kentucky. They helped in various ways around the church. Their biggest project was to build a larger platform for the church and school.

Throughout the rest of January, we had regular school and church activities.

FEBRUARY

In February, we were able to attend the Come Away Conference at the Goins' church in El Progreso. This conference is for the English missionaries in Honduras. It was such an encouragement to me and to the other staff in our ministry.

In February, we began having a weekly chapel service on Friday. That time is all in Spanish. The students sing their national anthem and pledge to their flag, the Christian flag, and the Bible. Later in February, we celebrated 100 days of school and Valentine's Day.

The biggest blessing this year also happened in February. Two of my students began attending church on Wednesday evening and trusted Jesus as their Savior! We had been praying for these two boys specifically because they have been in our school for awhile. That was an amazing way to see God work!

MARCH

In March, we celebrated Father's Day at church and at school. At school, we had a short program where each class sang two songs and said a verse or a poem. After the program, we had a big lunch for everyone who attended.

I was able to attend a ladies' conference in Sabanagrande with some ladies from our church. I enjoyed that time of fellowship with the ladies from church and also some Americans from other ministries. Overall, we had a successful start to our second semester. This year is flying by and it's hard to believe that we're just a few weeks from being done with school for the year.
