**Pr. Ever Sadres**

Brothers, God bless you all. Again, I come to you with my ministry report of the month of April to speak to you about what has been happening these days. First, I hope that you are all doing well in your ministries and that you have the joy serving God, even through the circumstances of life. While I do not know what is happening in your lives, and also do not know all of you, I know that God will bless you greatly and will give you more of His mercy.

With much patience and joy we have enjoyed the fellowship of the believers in Christ while we have supported through the process of a sister in the church adding a room onto her house. This is one of the things we can enjoy, supporting each other. We don't complain because it is a great blessing serving the brothers and sisters in Christ.

Evangelizing is a pleasure in my life, being able to share the Gospel with the lost souls and God being glorified. Little by little, more souls saved have been added to the church, and this will always give us motivation to keep going.

The church continues strong doing what God has sent us to do, keeping the faith, serving God. We know that an active church will always have its obstacles trying to keep them from going forward, which gives us all the more reason to be steadfast in prayer. Speaking of this topic, we now have a prayer group every Tuesday where the men all come to the church and we bring our prayer requests to our Heavenly Father. In a spiritual world in which we are constantly attacked, each of us need personal communication with God, but when a group of believers comes together in that kind of harmony, the protection of God comes with it.

Our school Solid Rock is finishing up classes for this school year. Vacation will be quickly upon us, and I just ask that you pray that our students remain faithful to God. Recently for Holy Week, each student gave a presentation for Bible about what each event of Easter meant, and each student gave their point of view. The presentations were emotional.

I am completely excited because my wedding will be here in 2 months, and I will soon have my future wife by my side. We are almost ready with our preparations, and for the moment everything is going well by the will of God.

Prayer requests:

1. For souls saved and baptized
2. For the discipleship of the brothers, that God will help them grow spiritually
3. For the school
4. For my wedding, that is happening soon

Again, brothers, I close thankful to God for the great love shown to me through each of you. Your prayers have a great effect in my life. Please continue to pray for this ministry. Thank you, also, for the support that you have given that has helped me so much. I hope the Lord blesses each of you.

Sincerely,

*Moises Escobar.*
