

SMALL STRIDES

IN HONDURAS

October 2025

Dear Friends and Church Family,

Thank you so much for all your prayers and support during the month of October. Toward the end of September and all through October we had a lot of traveling, but God kept us safe. Reveca and I traveled to Mexico to renew both our visas due to the CA-4 rules that foreigners can only stay maximum of four months in Honduras. **Upon returning the first week of October, we began finishing up several projects!**

We now have a chest freezer that was bought 100% with the sales of our popsicles, chocolate bananas, muffins, donut holes, and a variety of drinks! God has blessed our efforts tremendously, and the girls have had so much fun, both making and selling these items! Our business is called “New Life Food,” and our motto is “We work with our hands, cook with our hearts, and trust God for the increase.”

We have also begun work on a chicken coop! Our desire is to have 100+ chickens as time goes on. The girls have been begging me to let them mix some concrete or hammer in a nail as we construct the floor and house. **My vision for the girls home is to make it financially self-sufficient,** and I believe that this chicken coop has the potential to bring us one step closer to that goal!

Prayer Requests

1. Please continue to pray for Reveca’s US visa
2. Praise the Lord for great missions conferences
3. Pray for some car repairs we are needing
4. Pray for continued spiritual growth in the girls
5. Pray for our residency paperwork in Honduras

New Freezer

Making Donuts

Food Brochure

Mixing Concrete

Wall Construction

Wire Installation

Presenting Ministry

From the middle to end of October, I traveled back to the United States to participate in two missions conferences and have a couple of new meetings with churches as they consider us for support! God has blessed tremendously during this trip, but **please pray with us as we seek to increase our monthly financial support!**

Thank you so much for investing in us and the lives of these Honduran children.
