

Summer UPDATE 2025

27 of October 2025

Dear Friends & Churches,

We are so thankful to bring you an update of what the Lord has done in 2025, it's been quite a full year, and we do apologize for allowing so many months to go without communicating. We will send our last 6 month update in two parts, so that it's not too much for just one letter.

At the end of May, we were blessed to be sent an intern from New Life Baptist Seminary to serve two months with us. Xiomara was such a blessing to our ministry, she jumped in to everything we do, helping with Bible clubs, evangelism, and keeping up with our ever growing twins! This came at a very needed time, as we were prepping to host a missions team and gave Anna time to recover from her csection and concentrate on Levi, who is growing rapidly!

In June, we were blessed to host our second missions team this year, with Smyrna Baptist Church from Pensacola, FL, sending us a group of 19. We kept them busy, helping out with construction in our school building, hosting a Bible club activity, full with a live piñata for our four clubs, passing out John and Romans in the street, feeding and witnessing to the homeless and hosting our first ever missions conference. They were such a blessing to us, a great encouragement to us personally and to our church!

We are thankful to now have Ivan and his wife working alongside us full time, this has been such a help for us, to have a very capable and dependable couple to help out! Please hold them up in prayer, that the Lord would provide, and guide them, and save their son, Caleb, at young age!

Our classes continue in Santa Teresa, Anna has been able to help out with English classes again, which has been a joy. Maynor lead 4 students to Christ, it is such a joy to see the fruits of years of labor for these young people!

Thank you for your faithful love, prayers and support, we are deeply grateful!

With much gratitude,

Maynor, Anna, Lemuel, Caleb & Levi
