NOVEMBER: Zoom meetings provide us with easy access to connect with our missionaries. There were several Zoom meetings this month to help missionaries with such issues as: raising support from the field, obtaining necessary legal documents, preparing for taxes and retirement, coping with culture shock and teaching advice. Allison continues to manage all incoming and outgoing support for our missionaries, funds for special projects, and assist donors and missionaries with questions and requests.

Olivier filled the pulpit for Pastor Weaver when he had to travel to California to help his son. Pastor Stevenson of Grace Baptist Church in Pace texted Olivier to see if he could fill the pulpit at the last minute. Unfortunately, he was already covering for another pastor. Pastor Stevenson and his wife just had a baby! Please keep this dear family in prayer. Olivier was also blessed to meet with fellow Frenchman and IJBM Missionary, Didier Silberstein. He is on deputation here in the States. They go back many years, and Didier shared with Olivier the spiritual condition of France. The need there is great and Olivier would love to help encourage the pastors there.

Praise! Pastor Dave Walton sent this encouraging text: "Olivier, we had our annual praise and Thanksgiving Service tonight and your ministry and example was a repeated praise! Thank you for your ministry and testimony to my church!"

Praises: Grateful that we can be used to help local pastors when they have a need! Grateful for the opportunity to serve our missionaries on the field and on deputation. The Im Family is now at 75% of their support! Grateful for you! Without your prayers and support, we could not do what we do! Thank you for your faithfulness to our family and ministry! You are a blessing!

Prayer Requests: Open doors to preach and represent Heartland Baptist Missions. Health and strength for all HBM staff. Increased support. Laborers for the harvest!

Serving God's Servants,

Olivier & Allison Broc

I thank my God upon every remembrance of you Phil. 1:3
