Dear Pastors, Churches and Praying Friends,

September-October 2025

"There is none holy as the LORD: for there is none beside thee: neither is there any rock like our God."

1 Samuel 2:2

Hello everyone! Greetings from Sabanagrande, Honduras! We have MANY blessings from the Lord!

Anabelle-4 years old

September—Our Christian school started in September and both our girls entered this year! Anabelle is in K-4 and Abigail is in first grade! My wife is teaching 2nd grade with 22 students in her class. She has been able to see 4 students (**Thiago, Charissa, Keren, and Ivan**) so far put their faith in Christ and one of them also get baptized at our church!

2ND GRADE

We also had our annual Children's Day! There were over 100 people on our bus and several visitors. I was able to lead a young boy, Kerly, to salvation one Sunday morning, and a couple weeks later he got baptized! He is faithfully memorizing his verses in Sunday school. Please pray for him to continue faithful to the Lord! In our Singles Sunday School class we had been

praying for a young man named **Carlos** to be saved. He has a lot of addictions and at just the right time, he came to church and raised his hand for salvation during the invitation. I was able to take him out and lead him to the Lord. He got baptized the next Sunday. He needs a lot of prayers as he is trying to get victory over some of his addictions. Please keep him in your prayers! We have also seen **Yobany, Zoe, Genesis**, and others saved on evangelism. Please pray for them to keep coming to church. Many times, we can see that Satan is definitely after them.

October— We were in the junior church for the month and were able to teach on the life of David and see three boys put their faith in Jesus! In October we were asked to be in a missions conference so we packed our bags and left for a weekend to go to New England! It was wonderful to be there around the time the leaves were changing colors, as we had not been able to see that for a long time.

It was definitely a refreshing time of preaching to our souls and a blessing to be at White Oak Baptist Church where my oldest brother is a pastor. He and his wife were an encouragement to us and loved on us for sure. Thank you, White Oak Baptist, for your love for the Lord and your desire to get the gospel around the world! Our girls stayed back so they could attend school for the short trip, but we were so glad to be reunited with them again!

We want to thank Rickman Road Baptist Church for their thoughtfulness and love! Thank you for the big box of goodies and snacks and vitamins! We are so blessed and thankful for you all! The girls were so excited with the puzzle and playdough and bead set! Thank you!

We had a Bible Conference in mid-October. Several churches from around Honduras and even Guatemala came. We had several buses on our property filled with people who came to hear the great preaching and be encouraged. There were several who decided to give their life more to follow Christ, whether that was being more faithful to church or others who wanted to follow God and enroll in a Bible college to serve Him full time. We are thankful for all those who came to preach and even for our authorities who made this conference possible with all the scheduling. We are now into November and looking forward to what God will do with the last bit of the year that we have left. ***Please continue to pray for us that God will use us in spite of us; that God would also allow us to see more souls saved and we would be led to hearts that are ready to receive the gospel. We believe there's not much time left, and we want to see more souls saved for Him. Pray for Honduras.***
