Merry Christmas and Happy New Year,

December 2025

We are so blessed by our God to have you as partners in Christ. 1Timothy 1:12, "And I thank Christ Jesus our Lord, who hath enabled me, for that he counted me faithful, putting me into the ministry;" As we close out 2025, I must say it was a prosperous year. We have witnessed the work of God in the lives of His people. It is a blessing to see growth among these folks.

Sara is 11. She faithfully attends our kids' club on Wednesday nights along with 22 other children. Sara accepted the Lord a couple of weeks ago. Adrian is a young man in his twenties that have come to church a few times. I have talked to him on several occasions. He said when he was ready, he would learn more about how he could go to heaven. We have had him on our prayer list for a long time. Last week he came with questions. He was ready. Now Adrian's name is written in the Book of Life! Please pray for Sara and Adrian to learn and grow in the Lord. This is what it is all about.

Our building project is moving along. We are thankful to those that have given their time and/or money to help with this need. We are currently in phase 3 of the building. It is dried in and the sub flooring is being laid. The next steps are to buy the insulation and apply it, wiring, plumbing, lighting, sheetrock, floor covering and paint. We are still in need of funding to move this project further. Our folks are excited and encouraged. This past Sunday we had to bring in chairs to accommodate all the people. With the new addition, it will add 2,240 square feet to our existing building. We are at capacity and need this expansion. We have new folks coming in and some from the past that have returned. I can only say the coming of the Lord must indeed be close. Hebrews 10:37 "For yet a little while, and he that shall come will come, and will not tarry." Please pray we can house the growth and further the work here on the Yakama Indian Reservation. The work is great, our folks are excited, and we need your help.

As we venture into 2026, we are asking our Lord to help us finish the work on our building, build more bus ministry outreaches, secure believers in the service of the King, and faithfully continue to spread the Gospel.

**Praises:** Increased church attendance and growing children's ministry; Churches and individuals that have given toward our building fund and/or have given of their time in labor.

**Prayer Requests:** Wednesday Kids4Christ Club; pray our folks would step up and fill the need of Sunday school teachers and van drivers; Danny (Salvation); Building fund; safety & strength while working on the building; continued growth; wisdom & guidance for reaching the reservation with the Gospel.

Thank you for all you do! We truly appreciate your prayers and support more than you know. We encourage you to come see us!

*Love, Glenn & Deb Hohmann*
