Supporting the Local Church and Reaching the Unreached of the Public Schools in *Honduras*

"And Mary said, My soul doth magnify the Lord, And my spirit hath rejoiced in God my Saviour." - Luke 1:46-47

Dear Pastors and Praying Friends,

In this beautiful Christmas season, may we also magnify our Lord and rejoice in God our Savior, for the wonderful privilege He has given us to be His own and for all He has done for us!

**Church:** Our God is faithful! Our church has had a very full past few month, with the Fires of Evangelism conference in October, missions month in November, finalizing the semester in the school and seminary, and Christmas activities. We are thankful to be utensils in God's hands, for Him to use as He sees best. We have been able to lead several people to Christ, and are encouraged to see spiritual growth in our Sunday school students, as well as in many who ride our church bus.

**Public School Ministry:** Our God is great! We praise God that this school year has been very blessed. A few more students have been saved in these past months, and it is a joy to see students coming to church. Several teachers have grown in their faith and shared stories of how God has used this ministry in their personal lives and families. God never ceases to amaze us!

**Family:** Our God is good! He always supplies our needs, whatever they may be! We would deeply appreciate your prayers for Adan's health. We are especially thankful for our sons, who are growing and learning, and have been fairly healthy overall this year. We praise the Lord that our boys have a heart for the Lord and for souls.

A few years ago, David was burdened for Nathan to be saved, and was always explaining the plan of salvation to him. Finally, Nathan understood and asked us to explain it to him again, because he wanted to be saved. This October, Nathan was very burdened for Timothy's salvation, and was explaining it to him. Timothy understood and trusted Christ as Savior, as well! We

had our doubts, because we were not with them at that moment. We have never tried to push our children into saying a prayer, because it is not a prayer that saves, but repentance and faith as a result of the conviction of the Holy Spirit. Yet, we have asked Timothy many questions, and he is sure that Jesus forgave his sins and that he is going to heaven. "I have no greater joy than to hear that my children walk in truth." -3 John 4

Please pray for us always to "walk worthy of the vocation wherewith [we] are called" (Eph. 4:1), that we may lead the precious hearts of our children and many others in the path following Christ. What a joy to be saved! "Joy to the world: the Lord is come!"

Please continue to pray for Honduras. Elections were held in November, but it has not been announced yet who was elected president. The nation is getting anxious wanting to know the result, yet we know that nothing is out of God's control.

THANK YOU to all who pray for us and who support us financially. Thank you for giving your time in prayer that God will continue His work through us. Thank you for giving sacrificially to make it possible for us to do what God has called us to do. Thank you to those who have given special offerings or Christmas gifts! They are an enormous blessing! May God repay you many times over!

**Wishing you all a very Merry Christmas and many Blessings in the New Year!**

Rejoicing in God our Savior,

*Adan Pineda and Family*

Fires of Evangelism conference

Bus route

Group Adan and Reba personally invite and bring to church

Our bus kids

Missions month

Renier and Carlos saved

Ms. Bessy, with severe health problems, but faithful to church

Saved in public school, on our bus for church

Group David helps invite and bring to church
