#### CHURCH

In October, we were given the opportunity to travel to El Salvador in order to attend the Latin America Spiritual Leadership Conference with Dr. Paul Chappell. What a wonderful time of refreshment and spiritual challenge! Also in October, we had our church's second Missions Conference. It was a fantastic time of fellowship with other churches and powerful preaching.

In November, a group of men went to the Valiant Men's Conference hosted by one of our

dear friends.

This month of December, we had the privilege to give Christmas presents to each child and teen in the church thanks to a generous donor. What a joy to share in this way with these children who are so faithful to attend church (many of them without either of their parents or any other family member)!

Several of our teens will be attending church camp January 5-9. Please pray that the Lord will have freedom to work in their hearts.

#### FAMILY

Abner's doctor suggested that he use a Continual Glucose Monitor since we have been struggling to keep his glucose levels balanced over the last several months. Thank you to those who have given to help us make sure Abner has what he needs. We travel to the capital (a commute of 1.5 to 2 hours) every two weeks to have the monitor changed at the hospital. Pray for traveling mercies. Pray for Abner's health.

Megan, Elias, and Owen are well and growing all too quickly.

We have bought plane tickets to travel to the States from January 29 through February 27. The Lord has provided a place for us to stay and a vehicle for us to use. Thank you to those who are so generous with us.

Pray for us as we have a very busy month coming up and all the preparations for our trip. We are deeply thankful for each of you. Happy New Year!
