

SMALL STRIDES

IN HONDURAS

January 2026

Dear Friends and Church Family,

Happy New Year! We are so excited to get started again serving in New Life Children's Home. **Thank you so much to everyone who supported us abundantly during the Christmas season.** This helped us to make extra purchases that will help the home to have a great start to a New Year.

Growing Family

This year a native indigenous tribe called Lenca heard about our home and sent many girls and boys. This tribe is extremely poor but very open to the Word of God. **Already 3 girls have accepted Christ as Savior!!** Please pray that the girls and boys will remain attentive to the Word of God, because most of them have never heard, and as a result, are somewhat slow or easily confused.

In all, we had 10 girls return and we received 12 more for a total of 22 girls and 14 boys!! Please pray for additional financial support so we can continue to offer all the daily necessities for these children!

New Year Project

Last July, God provided a Honda Odyssey in the exact place and with the right price that we needed, and this car has been a tremendous blessing taking the girls to and from school, going to church, and evangelism routes as well as to various places to sell our products, and so much more. **We are in need, however, of a new vehicle now that our family size has doubled!!** Reveca and I have been clearly shown that **our best option is a Toyota Hiace**, because this car will seat at least 16, is mechanically easy to repair, and super reliable. A car like this, however, is in high demand and **would cost upwards of \$30,000**. If you believe that God would have you to be a part of this New Years Project, feel free to contact me or use the QR code to send directly to our missions board.

Children's Home Prayer Requests

1. For our New Year Project Fund
2. For the spiritual growth of all the children
3. For Reveca and I as we learn and grow together
4. For continued protection and direction

God is working in the lives of these young ones! Thank you so much for investing in me and the lives of these Honduran children.
