Dear Pastors, Churches and Praying Friends,

February — March 2026

"The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light." Romans 13:12

While the night definitely feels far spent and the day at hand as the apostle Paul noted and while I'm unsure of whether or not Christ will return within the next decade, I am sure of one thing: His second coming is closer now than at any point in human history. How necessary is it then that we continue to cast off the works of darkness and to put on the armor of light!

February— These last two months have been very busy, so naturally, time has flown by leaving us wondering where it went. And, speaking of busyness, **please continue to pray for Susie as she teaches a little over 40 students in our Christian bilingual school. Outside of the classroom, she's also grading and doing lesson plans. Pray for these students' salvation as well.**

Susie Teaching in the School

We were able to do another Valentine's Day Banquet for the married couples in our church this year. A Honduran living with someone out of wedlock is about as cultural as a redneck chewing tobacco. That said, we aim to promote marriage and try to take advantage of these opportunities. Also, on another Sunday, we had all of the married couples come to the front of the church to receive a gift. **Please pray that the adults in our church would continue to take steps of spiritual growth and that they would get more involved in our various church ministries.**

Harold got saved!

We started a more concentrated effort on our bus route to knock more doors and witness to more folks. As a result, we were able to see fruit as the attendance has increased. We had quite a few visitors come, but many of them have not returned. **My burden is to see God work in young people's lives as we disciple them, and that God would use them to go on to full time ministry. Pray for God to give us His power and wisdom to have a part in all that.**

Out Soul-Winning

While out evangelizing, we were able to see a young teen boy, Neftalí, profess faith in Christ. Also, I was able to talk to a young boy named Harold who trusted Christ to save him. **Pray for Neftalí and Harold's spiritual growth. My wife also had a good talk with a couple folks but none wanted to take that step of trusting Christ as Savior. Please pray for us to come across the paths of people ready to receive the gospel.**

March — At the beginning of the month, we had an Enrichment Conference with Pastor Jim Townsley as our speaker from Southington, CT. This conference exist as a means to encourage English-speaking missionaries in Central America. We're very thankful that Pastor Townsley took time out of his busy schedule to come down here and encourage us to keep on keeping on.

With Pastor Townsley

The Noonans and the Sturtz Family

A couple weeks later, we had our annual Ladies' Conference with the theme "Bearing One Another's Burdens". Bro. and Mrs. Sturtz from Couriers for Christ came down and spoke at the conference and in our services. We were also able to give a gift to every pastor's wife because Faith Baptist Church brought them in their suitcases. We're thankful that God has increased our church's influence to be able to be a blessing in ways like this.

On the same day the Ladies' Conference started, we had a group arrive from Faith Baptist Church of Oak Creek, WI. They were mostly teens from their Christian school, but also Pastor Noonan and his wife came. They were definitely a huge blessing and encouragement to our ministry. The young people had great attitudes and were very willing to participate in any way possible.

On one of the last nights the group was here, our school had an Easter program where the students sang Easter hymns and a clear presentation of the gospel was given to well over 200 parents and relatives in attendance. We had another missionary from Valle de Ángeles, who's also a chalk artist, come and preach the gospel and then do a painting of Jesus outside the empty tomb. It seemed very effective. ***Please pray with us for our school students and for their families to get saved. Please continue as always to pray for our Bible college students. If you want to pray for all twenty of them by name, their names are Anderson, Briny, Darlin, Elkin, Gabriel, Jennifer, José, Josué, Kassandra, Katerin, Katherin, Luis, María, Moisés, Nahomy, Paola, Samuel, Santos, Wilmer and Wilson.*** They'll definitely need pray for their classes as their final exams are approaching. A few of them will be doing their internship this summer. I'll give more information about that in the next prayer letter.

While working on my taxes yesterday, I was so thankful to see and remember all the churches that faithfully support us. And, we know that you guys pray for us too. We cannot express how thankful we are for you guys. As always, if there is ever anything that we can pray with you over, please don't hesitate to let us know. We're always in need of more laborers and teachers for our Christian school. If you or anyone you know is interested to receive more information, please let us know. Until the next prayer letter, God bless!

Teen Boys from Faith Baptist

*For His Glory,
The LeJeune Family
