Dear Brothers and Sisters in Christ, April 6, 2026

We had a very busy month! **The Lord allowed us to move our house this month!** Though it is less expensive rent per month, it is a brand new home, closer to church, and in a great neighborhood.

Praise the Lord that on April 4, Dercio and Julia (both saved and baptized) got right with the Lord. They had been living together in sin for some time, but are now officially married. They are the second couple that took this step of faith. *Please pray for the many other “couples” who are still living in sin.* We are challenging *Sergio & Fausia* as well as *Cecilia & Miguel* to be the next couples to get married. Sister Cecilila has been so faithful to church and wants to get right with the Lord, but Miguel (who also got saved) says that “the time is not right” to get married. Unfortunately, he was in church once the last few months. Living in fornication is such a problem in this country, but the Lord is working in believers’ hearts through His Word!

We rejoice in the Lord as we meditate upon His death and resurrection for our salvation. **Just over this past weekend of Resurrection Sunday, there were 5 souls that trusted in Christ and 3 baptized.** One of those 5 souls was a lady who attended the wedding and joyfully said that she wanted to trust in Christ. Another was Cecilia and Miguel’s son “Mikey” who has come to church about 3 times now. **The Lord has also brought great fruit with many being saved during our scheduled soulwinning on Saturdays with the church.** The saved and baptized youth of our church joined together to sing in the market, distribute gospel literature, and share the gospel.

Since we have Tuesday night services, we started Bible discipleship courses on Wednesday nights. **Pray that the people grow in their faith** greatly through this additional discipleship time. In church we are going verse-by-verse through 1 Corinthians, Galatians, and John. It is so exciting to see the faithful believers growing in their knowledge of God’s Word and to walk by faith. Before services, I started having a prayer meeting with the faithful teen guys. Praise the Lord for the opportunity to train these young men how to pray. Thank you for your prayers!! **The Naltys, Col. 4:2-4**
