Supporting the Local Church & Reaching the Unreached of the Public Schools in *Honduras*

“And he trembling and astonished said, Lord, what wilt thou have me to do?” -Acts 9:6

Dear Pastors and praying friends,

When Paul realized Who Jesus really was, he immediately asked this question and readily obeyed what he was instructed to do. So often we forget Who Jesus really is and the reason that he has placed us here on earth, and follow our own desires. May we daily ask God, “What would You have me to do?” and do just as He leads.

Church: God is at work, and we are grateful that He has chosen to use us in that work. In January, our church had its annual youth camp, where several young people were saved, others got assurance of salvation, and many other decisions were made. The week after that, Adan was invited to teach / preach at a children's soccer camp at Hope Baptist Church in Santa Rita, Honduras, where 15 children were saved. We also were able to lead several children to Christ in children's church at our church. In February and March, we had our school supplies Sunday in Sunday school, an English Enrichment Conference, and our church's annual Ladies Conference, all of which were a great blessing.

Reba began teaching again in our Christian school this semester (K5 in the morning and 2nd in the afternoon), and eleven of her students have trusted Christ as Savior. Our sons are all now in school, and are doing well. Our seminary began a new semester, with four new students. We are thankful for those

who have come to prepare themselves to better serve the Lord. There is always such a great need for more laborers in God's fields!

Public School Ministry: Praise the Lord for such an open door to teach the Bible in public schools! It was wonderful to share the Gospel with Orlin, 14, who after trusting Jesus said, “Thank you, Brother, for sharing the Gospel with me! Even though my dad is a pastor, I had not yet received Christ.” Please pray for more workers for this ministry, as well. We are working these first months with 18 of the 52 schools in our area; some we go to twice a month, others once a month. In February and March, 15 students in a middle school/high school have come to Jesus. Yet there are so many more to reach! Please pray for wisdom and health to continue as God leads.

Family: God has been good to us! Please continue to pray for Adan's health, as he often battles with dizziness. Thank you for all your faithful prayers and support! May God reward your sacrifice!

Seeking to do His will,
