Dear Brothers and Sisters in Christ, May 13, 2026

April was such a blessed month! We celebrated Mozambican Woman's Day on April 7 (a national holiday) and had around 25 ladies eighteen years and older- a mixture of our faithful ladies, second time visitors, and new visitors. Praise the Lord! A mother and sister of 3 very faithful teens visited for the first time that day. They then invited us to lunch that weekend, where the **father asked Christ to be his Savior before we ate!**

On the way back from bus route one Sunday, we gave a ride to several people, including Shelton, age 21 (gas prices have skyrocketed over here, leading to severe gas shortages and limited public transportation, so when we drive the bus back home, we sometimes try to take advantage of giving a free ride on the way, as Luke witnesses to the passengers.) Before Shelton reached his destination, he listened intently to Luke sharing the gospel, and he asked some very good questions. He then expressed that he had never heard the plan of salvation explained in such a clear and Biblical perspective. Luke asked if he'd like to ask Christ to save him, and he replied, "I just did while you were continuing to explain." Amen! He visited church the following Sunday.

Dulcidio (photo above) is another wonderful testimony of God's work. He came to church one Sunday, and said he had received a John and Romans a year ago, but had not read it till recently! He looked up the address, visited, and received Christ as Savior! Wow! After one year of receiving God's Word, who would have known! He hasn't missed a Sunday since, and is going to be baptized this month! **Please pray that Shelton & Dulcidio would continue coming, get baptized, and grow spiritually!**

We are still waiting on documents for the purchase of the church property. Lord willing, we will be able to move on to the next steps shortly. The labourers are FEW (but the Lord can and will do something about it when we pray! The Naltys, Col. 4:2-4
