MISSIONARIES IN HONDURAS.

Dear pastor and church:

We want to give a warm greeting to all the brothers in Christ for being in constant prayer for us. We also pray that the Lord Jesus would fill your lives with more blessings each day.

We present before you our missionary report, including the months of March and April. We'll share here all that has happened during these two months.

We've been active in the Lord's work, undertaking what God has commanded us to do. Firstly, as a church, we've set out to win souls for Christ; people have been saved, and new families have integrated into our ministry. We have seen the hand of God working in us. More brothers and sisters have been laboring in the service of the work, and some have discovered their spiritual gifts. I'm thankful to the Lord for using us in this manner.

We have, as a church, held baptisms and we have also celebrated the Lord's Supper; we are joyful in doing these commandments for the honor and glory of God. As a church, we always go out in evangelism and to share the Gospel with people. We've even had the opportunity to have new people among the congregation who have visited us. It's a joy for me to always see how families show up together on Sunday mornings.

In April, we celebrated Christ's Resurrection Day. Many brothers and sisters participated in bringing something to the wonderful breakfast we had at church, with the goal of spending time together in communion with one another. That same morning, the kids enjoyed the activity that you all know as the Easter egg hunt.

We are very happy to be able to carry out special events at church, so that through this medium many people can visit us.

As far as the spiritual growth of the congregation is concerned, some have finished their discipleship and are beginning to serve. Something that fills me with joy is seeing the teenagers involved and seeing their energy and preparation. In the young adult ministry, some of the teenagers were involved in leading or preaching and both did well.

As a church, we received the visit of the pastor Gabriel Ulloa, who is going out as a missionary to Morocco. We are supporting missions, and with this family included we are now supporting two ministries with a monthly offering. We understand the importance of taking the Gospel to another country, and for this reason we believe that through supporting missionaries we can be a blessing. The school has had a few difficulties lately; we are praying for more north American teachers to help us in the ministry here in Roatan. If you know of somebody that can help, don't hesitate to reach out to us, please.

Prayer Requests:

1. More salvations and baptisms.
2. Spiritual growth of the church.
3. For my health.
4. More teachers for the school.

Brothers, thank you for your prayers for the support you always give us; may the Lord bless your families and your ministries. Greetings from the island of Roatan.

Your brother in Christ,

Moisés Escobar
