Hello from the Great Pacific Northwest,

March/April 2026

Seems as though winter was just here, yet the temps are quickly rising into the 80s and near 90s already. It reminds us to pray for our firemen and people in outlying areas due to fire danger. Every year we have wildfires from extremely dry weather and wind. We specifically pray for a young man, Baxter as his call to duty is wildland firefighter. We are grateful Baxter knows the Lord and serves in our children's church and bus ministry.

In light of our van/bus ministry, we have only been running 1 van to pick up kids and families. Some Sundays and Wednesdays, our 15-passenger van is packed to the max and we have to make a second run. We do have another van we are starting up this coming Sunday. It does not like to run in the winter months but will run in warm months. We cranked it and feel it is ready to go for the next 4 or 5 months. Pray, we can find out the problem and get it fixed. As a result of our van ministry, we have had children and adults come to the Lord. A young couple, Jonathan and Jillian with 4 kids found one of our flyers that was left when knocking doors one Saturday. They called and arranged to be picked up. After the third week of coming on Wednesdays, they both went forward and accepted the Lord! Please pray for them as they grow in Christ. Also pray that both vans will continue to run well so that we can help get folks under the sound of preaching and teaching the Gospel each week.

Most Sundays we are very full in our current auditorium, which we praise God for. Our new addition of a bigger auditorium and 3 more Sunday School rooms is coming along well. We are so thankful for work crews that have come and volunteered their expertise and labor! We are so grateful for churches and individuals that have given money for supplies to build! We have a work crew of 17 or 18 coming in June from Florida to help with putting up wall and ceiling covering(sheetrock/wood). Also, an individual from Colfax, WA, that is an expert in sheetrock has shown an interest in coming to help. What a blessing! We were recently at a Missions Conference in Great Falls, MT. What a great time we had! We would like to thank Dr. Shearer and congregation of Heritage Baptist Church for their sacrifice toward this project. \$5,000 was raised during the meeting! We are beyond thankful! With that amount and other donations that have recently been promised, we believe we can complete the addition with about \$6,000 more. We would like the addition and bathroom renovations completed by the fall of this year. Please help us pray toward this goal.

We are thankful that Deb and I are in good health and excited about all the work we see God doing here on the reservation.

Praises: Folks coming to the Lord, Increased church attendance and growing children's ministry; Progress on the building project; Churches and individuals that have given toward our building fund and/or have given of their time in labor.

Prayer Requests: Jonathan & Jillian for spiritual growth, Wednesday Kids4Christ Club; Jail ministry to start back up; Building fund; safety & strength while working on the building; continued growth; wisdom & guidance for reaching the reservation with the Gospel.

Thank you for all you do! We truly appreciate your prayers and support more than you know.

*Love, The Hohmann's
