Dear Brothers and Sisters in Christ, August 11, 2026

We are making great progress on the purchase of the church property, and we pray that by the next prayer letter, the purchase will be completed! **God has worked in really amazing ways with many of the details regarding this purchase**, so we covet your prayers for the remainder of the process.

Please also pray that we can find some good workers to do renovation/construction on the building once the purchase is finalized. Our first step will likely be tearing down the old wall (which was done very poorly and is full of holes) and building a new one. There are many Mozambican workers who “know” how to do construction work, but unfortunately not many who will do quality work. After the wall is completed, we hope to start construction on an entire new and separate bigger building for the church. This will also require pre-approval with documentation.

The church building we are currently in is getting a bit crowded on Sundays, and during the hot summer months coming up it can be quite a challenge with so many people and no A/C, especially since the roof sits low. We plan on using the old church building for children’s church which averages 60 children on Sunday. Praise the Lord the property is big enough to build a bigger church on!

Our highlight for the month are Luis and Edi, brothers ages 14 and 10. They come from a Catholic family, and their father is only home on weekends. Luis especially is the definition of faithfulness. He lives over 30 minutes away on foot, yet is at church for every service, evangelism, and youth group, whether rain or shine, night or day. He is one of our most mature teens, and even leads the Tuesday night singing every other month. He along with Wilson preached their first sermon several weeks back. Praise God for these boys- they are like “Timothy’s” and please pray they remain so!
