

June/July 2026

Tiffany Bacon

Dear Brothers and Sisters in Christ,

It has been an exciting summer! I finished the school year at Hope and had the opportunity to spend time serving at my home church. Once my plane landed, my feet hit the ground running. I immediately made plans to attend teen summer camp with three of our girls. It was a blessing to watch them learn how to memorize scripture, listen with intention to the preachers, grow in their knowledge of Christ, and make new decisions (even if that meant pulling me along with them to sing a special). If any of you know me, I am not a singer, but I was that day!

Once camp was over, my church celebrated 50 years with a tent revival. My Pastor founded the church and has stayed faithful! Preachers came from all over to fellowship with us. We even had the opportunity to hear from Caleb Garroway, an evangelist who created “The Gospel Film.” I also want to say thank you to Lighthouse Baptist Church in Utica, New York for allowing their Pastor (Paul Bannister) to come celebrate and preach.

July came quickly and vacation Bible school did as well. We had all hands on deck and a wonderful turnout. I had the opportunity to teach the 8-9 year old children and even lead one (Zoey) to the Lord. What joy to see children accept Jesus Christ as their Saviour! We had other souls saved as well. Praise the Lord!

I am now back in Honduras, preparing for a new school year. This year I get to use a projector, thanks to your funds and support. This will be a great benefit during lessons. Please start to pray that God will work in students this year. HCA has 142 children enrolled-wow!! We want to see families reach salvation. God has given us an opportunity to influence and our goal is to do just that. I also ask that you pray for our staff members, especially Dora. We all have a load, but she is due to have a baby soon. She is nervous but also trusts that God will provide. Thank you for your kind hearts, support, and prayer. -Tiffany Bacon
