Dear Fellow Laborers,

August 2026

It is already August and yet there is much to do. "And the servant said, Lord, it is done as thou hast commanded, and yet there is room." Luke 14:22

In June we had a great team of workers from Smyrna Baptist Church in Pensacola, Florida come to help us. What a great time we had as these folks worked on our building addition. They stained wood, installed wiring and lights, installed windows, and put up ceiling board. This crew pushed our project forward by a large margin. Thank you Smyrna Baptist Church mission trip volunteers! Shortly after that, was our annual Father/Son camping trip. We had a blessed time of fellowship enjoying God's creation and gathering around His Word.

July came with a celebration of 250 years as a nation. We praise God for allowing us to live in a free country. Soon after, we geared up for Vacation Bible School. We were able to get many of our folks involved. A church in Utah provided supplies and decor. We had a great time with the kids! The attendance was good and our folks were faithful. Our theme was "Glow Big - God's Promises Never Fade." It was a lot of fun. More importantly, we had 15 kids that came forward and accepted Christ as their Saviour! We did a penny offering each night to raise money for the orphanage in Uganda as part of our VBS mission outreach. Praise God, we were able to send \$500! We ended the week with brother Vic, our granddaughter, Teighlor, Deb, and me getting a pie in the face.

Recently, we had the opportunity to attend the Heartland Missions Candidate School along with Smyrna Baptist Church Missions Conference. What a great time of fellowship as we met new missionaries going to different fields. We stayed with Pastor Adams and his wife. They made us feel at home and were such a blessing. We were encouraged through the great preaching and classes. The week was refreshing! Afterwards, we were able to share the ministry with Pastor Weaver's church in Alabama. What a blessing they were!

Back to the northwest; we are so thankful to Heritage Baptist Church of Great Falls, Montana for their gift of \$5,000 toward our building project. Thank you Pastor Shearer and church! You are a blessing to this ministry! We are continuing the work on the building and looking forward to completing it soon. Please pray for the funding and labor.

Prayer Request: This time of year in the Pacific Northwest is fire season. Unfortunately, this year it is more severe. With the hot temps and high winds, we have had multiple fires here on the reservation and surrounding areas. The smoke is unhealthy to breathe. Many structures and houses have been lost in our area. The neighboring town of White Swan is devastated from the fires. The post office is gone as well as other structures and many houses. Please pray for the victims and the ongoing fires to be contained. Pray for the firefighters and folks in harm's way. We are thanking God as we have not heard of any lives lost thus far.

Thank you so much for your faithful prayers and support. We appreciate you!

Love, Glenn & Deb Hohmann
